Water Delivery Driver

Description

Job Type: Full-Time

Pay: From \$25 per hour

If you're looking for a summer job where you can learn new skills while working outside in a dynamic, fast-paced work environment, then this is the job for you! We are a family owned and operated pool installation company looking to hire a Class A CDL driver to operate our water tanker truck and move equipment with a tri-axle trailer.

Responsibilities

Job Duties Include:

- Inspecting & maintaining tanker truck each morning prior to delivery
- Driving a 6'000-gallon Class A water tanker truck both on and off the highway
- Off-loading water on site (mostly residential)
- Hauling machinery to and from different jobsites with various sized trailers

Qualifications

Requirements:

- Class A CDL
- Tanker Endorsement
- Hazmat Endorsement
- Class A Tanker Experience (Minimum 2 Years)
- Experience Hauling Machinery
- Experience Operating A Tri-Axle Dump (Not required but always a plus!)

Pay is based on experience!

Reliable transportation is a must!

Must have valid driver's license with no recent infractions!
